Anticipated Academy Contributions and Committees

Please describe the ways that you would contribute to the Academy. Your specific ideas and willingness to become an active, contributing member is very important to us in the selection process.

Expand

350 word maximum

The Academy committees provide overall direction for the Academy, develop and implement strategic plans, and lead a variety of activities. All Fellows are required to serve on a committee and participate in its activities.

Check the boxes (minimum of 2) for the committees you would be interested in joining. Additional information about each committee can be found on the document below.
